**Montreal, Friday, February 14, 2025** - [Telefilm Canada](#) and [Forum RIDM](#) are pleased to announce Canada's sixth participation in Docs-in-Progress.

[Cannes Docs](#), the documentary section of the Cannes Film Festival's [Marché du Film](#), presents an annual initiative called **Docs-In-Progress**, aimed at presenting feature-length documentary projects at an advanced stage of editing to international decision makers. As part of an agreement between Telefilm Canada and the Marché du Film, a *Showcase Canada*, featuring four documentaries in post-production, will be presented this year. Forum RIDM will be responsible for coordinating this initiative, selecting the projects and providing preparatory support to the teams.

This **call for projects** is aimed at Canadian documentary producers and filmmakers seeking an international premiere, sales agents and, more generally, significant international exposure. The deadline for applications is March 7, 2025.
